October 23/2015

Dear All

I hope this message finds you well.

As a follow up to the NASAC Africa Water Workshop on the theme "***Improving the Management of Water Resources for Sustainable Development in Africa and the Americas***" held on 12-15 October 2015 in Nairobi, Kenya, we have now uploaded the workshop photos for ease of access using this link.

Please also follow this link to access the Workshop programme and presentations.

With kind regards,
Rahab Gitahi
